

Dear user

This model has been obtained starting from a non-open source model. We thank the author and

We STRONGLY RECOMMEND you to quote the author when you use these files or the files of him¹.

[Please follow the instructions.](#)

Open Source Mask is an open, inclusive and non-profit project.

We would support all the people that are in distress due to covid-19 and that are not able to buy masks.

Open Source Mask is unconcerned on national borders, social barriers and economic profit.

If you make the mask you fight cases of profiteering.

It is ABSOLUTELY important to bearing in mind all the WHO² advices.
